Respected Professor,

I sincerely apologize for missing the recent lecture as I was unwell and unable to attend the class. I understand the importance of keeping up with the course material, and I would like to make sure that I do not miss any important information covered during the session.

I would be very grateful if you could kindly provide me with the lecture notes or slides from the class. I would also appreciate it if you could please let me know whether there were any important announcements, assignments, deadlines, or other updates that I may have missed.

I sincerely appreciate your time and consideration. I will make every effort to catch up on the missed material and complete any pending works.

Thank you very much for your understanding and kind support.

Yours sincerely,
